

# EON CHARGE

## Electric Vehicle Tourism

### ATTRACT VISITORS

Attract Electric Vehicle (EV) tourists to your destination (eg: wineries, bed & breakfast, food producers, etc)

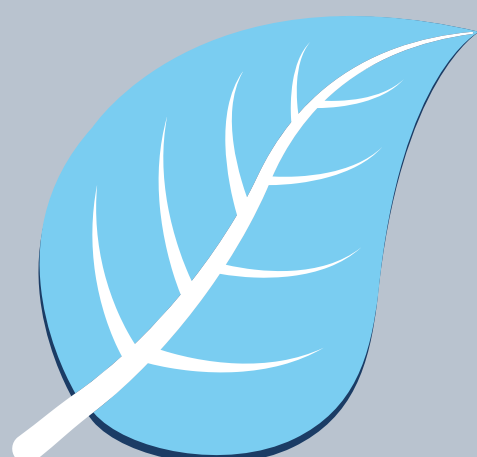

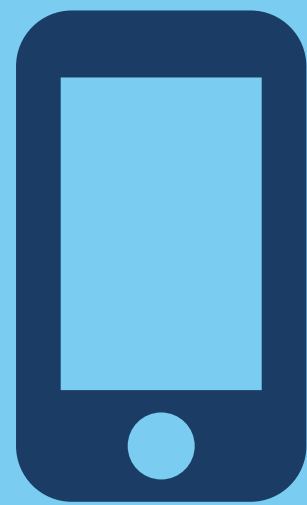

### GENERATE REVENUE

Statistics show that Electric Vehicle (EV) drivers stay twice as long at a destination when they have access to convenient EV charging infrastructure.

### FLEXIBLE BILLING

Choose whether to charge your customers on a pay-per-use model or provide the service free-of-charge. All controlled by a smartphone app.

### SUSTAINABLE

Increase your green credentials and lower your CO2 emissions by powering using a 100% renewable energy source.
